~ CRA BOARD SUMMARY ~
REPEAL CRA NAMING AND RECOGNITION POLICY

In 2012, the City Commission approved a policy for naming public facilities. At its meeting of April 18, 2017, the City Commission, during the discussion of a request to dual-name a street, the Commission directed City staff to provide language for street naming policy at a future City Commission meeting. Subsequently, at its meeting of April 27, 2017, the CRA Board approved the CRA Naming and Recognition Policy, for CRA-owned properties. The policy was initiated based upon a request to name a CRA-owned building and due to the fact the CRA did not have a formal policy. As the City is in the process of revisiting the current naming policy, and in order to alleviate any confusion for the naming of publicly-owned property and/or buildings, staff recommends that the CRA Board rescind the CRA Naming and Recognition Policy.

Recommended Action:

Repeal the CRA Naming and Recognition Policy.

Submitted By: Jeffrey A. Costello, Executive Director
