Bear's Food Shack - Code Enforcement Staff initiated a meeting with and the owner of Bear's Food Shack, Planning & Zoning and the Special Events Office to assist Mr. Silverman with bringing his business into compliance. Mr. Silverman was cited for installing unapproved signage on his property. Mr. Silverman was reluctant to remove the signage due his business being located in a dangerous neighborhood that deters customers. Significant Incidents/Events:

17-4968 Felony Battery Arrest: Officer Barbire obtained a warrant for the arrest of William Cunningham for Felony Battery against Brian Burlew. Burlew was attacked on March 27, 2017 and sustained injuries resulting in blindness. Officer Barbire followed up by attending first appearance where the Judge was made aware of the permanent blindness and provided a restrictive bond amount for Cunningham's release.

17-6910 Battery/Disorderly Conduct Arrest 250 E Atlantic Avenue: Vagrant Doug Woods entered "It's Sugar" and yelled at the clerk for being in the back of the store talking on the phone to her District Manager instead of on the sales floor assisting customers. He knocked over some merchandise then began pelting her with gummy bears. He told her to call the police because they couldn't do anything to him but fled the area before officers arrived. Probable cause was developed and Woods was located and arrested in the first block of NE 2nd Avenue.

17-7163 Battery On LEO/Assault/ Possession Under 20/Resisting Without/Disorderly Conduct/Corruption by Threat Arrest: After numerous calls were received from the Green Market, Officers tried to arrest Doug Woods who had recently been released from the "It's Sugar" incident above. He fled from officers and was apprehended where he continued to resist. After two Taser deployments and a struggle, he was taken to jail. His arrest resulted in minor injuries to two officers. Officers attended first appearance to highlight the difficulties he has caused in the downtown area and to try to get him held for this crime until the case was over. It should be noted that Woods refused to exit his cell for first appearance and in subsequent appearances was ordered to be mentally evaluated because of his behavior towards the judge.

17-7776 Battery On LEO/ Resisting W/ Violence/Disorderly Intoxication Arrest 804 E. Atlantic Avenue: Sergeant Baer was alerted by a concerned citizen that defendant Christopher Register was in front of this location, overdosing on what the complainant thought was heroin. Officers responded and located Register who was obviously impaired as well as belligerent and uncooperative. He repeatedly tried to leave before FD Medics could evaluate him and a struggle ensued. He kicked Officer Liberta during the struggle and was arrested. Register was admitted to the hospital for alcohol and ecstasy intoxication and ultimately turned over to the county jail.

Vagrants/Transients/Notable Subjects:

Douglas Woods returned to town this month and generated numerous calls for service due to his erratic behavior. Unit officers remained alert to this individual and devoted a significant amount of time monitoring him. He was arrested several times this month to include stealing the U.S. flag off of deceased DBPD Officer Braswell's memorial in front of the police department.

Problem Areas/Citizen Complaints:

Veteran's Park: Unit officers continue to monitor the park, although there has been an increase in vagrant presence due to the bathrooms at Old School Square being locked up at night. We now have the ability to use surveillance cameras that the City installed although some of the cameras' positioning still needs to be adjusted to more effectively monitor activity(s). Proactive activity: 59 Extra Patrols and 45 Walk and Talks were conducted.

Old School Square: This park remains in a maintenance phase. Vagrant activity there has all but ceased since the restrooms have been closed overnight. Proactive activity: 24 Extra Patrols and 14 Walk and Talks were conducted.

Libby Wesley Park: This park remains an area with high levels of vagrant activity due to the improvements at Old School Square as well as its proximity to the Caring Kitchen and a large number of package liquor stores. Officers continue to close it down at night per City Ordinance and monitor subjects there. Proactive activity: 12 Extra Patrols and 7 Walk and Talks were conducted.

Vacant Funeral Home (CRA property) 606 W Atlantic Ave: The unit was requested by City staff/ Code Enforcement to keep an eye on this property due to vagrant and narcotics activity at night. It was discovered that some vagrants were charging their electronics there from external outlets. City staff was contacted about possibility of cutting power to them. Proactive activity: 11 Extra Patrols conducted.

Gateway to Downtown by I95: Due to complaints of vagrants camping by the Gateway structures, periodic extra patrols were conducted.
