SECTION VII: DISCLOSURE AND DISCLAIMERS, FORMS, AND EXHIBITS

SECTION I: INVITATION AND GENERAL INFORMATION

The Delray Beach Community Redevelopment Agency (“CRA”) is seeking qualified developers to lease or purchase, and redevelop parcels owned by the CRA. The redevelopment sites are located within “The Set” of the CRA District on the south side of West Atlantic Avenue, between SW 6th and 8th Avenues (“Project Site”) as shown on the attached map (Exhibit “A”). Associated map reference number, Palm Beach County Property Appraiser Property Control Numbers, and legal descriptions are also included (Exhibit “B”).

The CRA is vested by the State of Florida pursuant to its powers under Florida Statutes, Chapter 163, Part III, the Community Redevelopment Act of 1969 as amended, with the authority to request proposals for the redevelopment of any area within its district in order to effectuate redevelopment pursuant to the goals and objectives of the Community Redevelopment Plan.

A. About Delray Beach and the Delray Beach CRA

Delray Beach is truly a unique city! From its award winning public beaches and vibrant downtown nightlife to its excellent neighborhoods, bustling economy, and abundance of cultural activities, Delray Beach offers an unparalleled quality of life.

Located in the southern end of Palm Beach County, Delray Beach was settled as an agricultural community in 1895. First incorporated in 1911, it became the City of Delray Beach (“City”) on May 11, 1927. The City has experienced substantial growth from 1,015 people in 1920 to over 67,000 people today.

Delray Beach encompasses slightly over 16 square miles of land area, of which 90% has been developed. As the City approaches “build-out,” growth management has shifted focus to renewal and redevelopment. In furtherance of the City’s redevelopment efforts, the Delray Beach Community Redevelopment Agency was established by the City Commission in 1985 pursuant to its powers under Florida Statutes, Chapter 163, Part III, the Community Redevelopment Act of 1969 as amended. The CRA’s activities are designed to solve the underlying problems of slum and blighted conditions through planning, redevelopment, historic preservation and affordable housing so that the tax base can be protected and enhanced by these mutually supportive activities. Results of the CRA’s efforts are visible throughout its redevelopment area – from the revitalization of the commercial areas to the stabilization and preservation efforts of the neighborhoods throughout the CRA District.

B. Property Information

The combined parcels in the Project Site comprise approximately 7.4 acres of land and is zoned Central Business District (“CBD”) with a small portion zoned Medium Density Residential (“RM”) as defined by the Land Development Regulations (“LDR”) for the City. This site is also located just minutes from I-95 and approximately 30 minutes from Fort Lauderdale International Airport and Palm Beach International Airport. Further, the Project Site is within walking distance of shops and restaurants in Downtown Delray Beach and two-miles from the beach.

Notably, the Project Site is located in the West Atlantic Avenue Corridor (Sub-Area) of the Community Redevelopment Area known as “The Set”, which is a brand recently identified by the long-standing residential and business communities surrounding the West Atlantic Avenue corridor, from I-95 to Swinton Avenue. The Set is predominately a single family residential community with Delray Beach’s historic main streets of Atlantic and Fifth Avenues traversing the east-west and north- south corridors of the western end of Downtown Delray Beach.

In 2012, the West Atlantic Area Needs Assessment was conducted, and it identified a series of goals for the West Atlantic neighborhood related to the following: housing, priority uses in particular a grocer, accommodating retail space for local retailers, the inclusion of local trades, and employment opportunities during the development of the site. The requirements for these goals as they relate to this solicitation will be described in further detail in another section of this document. These goals are important to community members and should be carefully reviewed and thoughtfully applied when responding to this RFP.

SECTION II: GENERAL INFORMATION

A. Survey

Surveys of the identified properties are available for viewing at the CRA offices and may be downloaded at <http://delraycra.org/rfp/>.

B. Streets and Alleyways

According to the Palm Beach County Traffic Division, the peak season daily traffic volume for 2017 on West Atlantic Avenue between I-95 and SW 8th Avenue was 45,050 trips, and between SW 8th and Swinton Avenues was 26,352 trips. Within the blocks between SW 7th and 9th Avenues, the alleyways adjacent to the CRA-owned properties on the north half of the blocks were abandoned in conjunction with the development application approved by the City Commission in 2016. It is noted the site is located within the City's Transportation Concurrency Exception Area ("TCEA"). The TCEA exempts the above-described areas from complying with the Palm Beach County Traffic Performance Standards Ordinance.

C. Palm Beach County Impact Fees

Development of the subject properties will be subject to Palm Beach County Impact Fees. Please contact the Impact Fee Manager for Palm Beach County, Willie Swoope at 561-233-5025 for additional information or go to <http://discover.pbcgov.org/pzb/administration/Pages/Impact-Fees.aspx> to download relevant information.

D. Appraisal

An appraisal of the subject properties was completed in May 2018 and is available in electronic form upon written request to the CRA taking into consideration the Cone of Silence/No Lobbying provision in Section VI. H. Proposer(s) should not rely solely on the information in the appraisals when compiling a proposal. The appraised value should be considered with all offers and requests for economic development incentives.

E. Environmental Study

Environmental Site Assessments were conducted, and electronic copies are available upon written request to the CRA taking into consideration the Cone of Silence/No Lobbying provision in Section VI. H.

F. Land Use Regulations

All proposals shall be subject to the City of Delray Beach land development approval process. The sites contain parcels zoned CBD - Central Business West Atlantic Neighborhood Sub-district, LDR Section 4.4.13 and RM Medium Density Residential Southwest Neighborhood Overlay District, LDR Section 4.4.6.

The CBD and RM districts prescribe a review and approval process for development as well as development standards. For a complete list of Permitted, Conditional, and Accessory Uses allowed in these districts, visit www.mydelraybeach.com, Planning and Zoning Department, LDR, Section 4.4.13 and 4.4.6. Proposers should confer with the Delray Beach Planning, Zoning and Building Department for information on current regulations that apply to the subject properties, as well as any changes or contemplated changes to the LDRs.

G. Development Design

Buildings on Atlantic Avenue should be no more than three-stories, situated adjacent to the public right-of-way, with lighted, wide and uninterrupted pedestrian sidewalks. The proposed project should have on-street parking along the public rights-of-way, as well as on-site parking lots (or garages) located at the rear of the development. Opportunities for shared parking with adjacent uses are desired. Wide arcades and sidewalks that promote pedestrian friendliness, open spaces, and activities along Atlantic Avenue are encouraged. Proposer(s) should refer to the CBD Development Standards - LDR Section 4.4.13 for more details.

H. Plans and Studies

In addition to the LDR, development of the sites are envisioned in the Delray Beach Community Redevelopment Plan (amended 2014) ("Plan"), the West Atlantic Redevelopment Plan (amended 2000), the Southwest Area Neighborhood Redevelopment Plan (adopted 2003), the West Atlantic Area Needs Assessment (October 2012), the Downtown Retail Market Study (December 2017), Downtown Shopability Analysis (February 2018) and The Set Transformation Plan (pending adoption). In general, these plans call for development projects to consist of neighborhood-oriented commercial, retail, restaurant or service uses on the ground floor, with office and/or residential components occupying secondary floors. Office space may also be developed on the ground floor. Copies of these plans may be downloaded at <http://delraycra.org/rfp/>.

I. Previous Development Approvals

In 2016, the majority of the properties (6.17 acres) received development approvals consisting of conditional use, site plan, alley abandonments, in-lieu of parking fee approval, and replat for the construction of a mixed-use development consisting of 40,264 square feet of commercial/retail space including a grocery store, 7,618 square feet of restaurant space, 20,000 square feet of office space and 107 apartment units, 22 of which workforce housing (income restricted) units (Exhibit "C"). Proposers should confer with the Delray Beach Planning, Zoning, and Building Department for more information regarding the development approvals.

Note: The development approvals above should not be construed as an entitlement that is financially feasible or warrants consideration without further due diligence.

SECTION III: PROJECT OBJECTIVES AND REQUIREMENTS

A. Development Objectives

The vision for redevelopment of the Project Site is for a mixed-use project including a mix of residential, a grocer, health and wellness facilities (urgent care, clinic, fitness), financial institutions (deposits loans, currency exchange), family entertainment venues (sports bar, jazz club/lounge, theater), as well as public/shared parking. Businesses that are oriented toward serving the local neighborhood, as opposed to a regional area are encouraged.

The Community Redevelopment Plan also recognizes the downtown area as a strategic location for office use and promotes the creation of high-paying jobs to create economic wealth for residents of the CRA District.

B. The Set Branding Initiative

A new brand has emerged for the long-standing residential and business communities surrounding the West Atlantic Avenue corridor, from I-95 to Swinton Avenue. This area, collectively and historically referred to as the West Atlantic Avenue Neighborhood, has a new name that reflects both the rich history of the area and the growth and investment it is currently experiencing: The Set.

WHERE YOU CAN.

Launched in September 2016, the new identity is the result of a branding initiative coordinated by the West Atlantic Redevelopment Coalition (“WARC”). WARC is a nonprofit organization that was created to advise the CRA and City on redevelopment efforts in the area. This brand platform identifies a target audience and includes a logo and tag-line (“Where You Can”) that pays homage to the past, present, and future positioning and opportunities for the area.

Certain challenges within this community have been identified and include:

- severe lack of affordable housing,
- many scattered, vacant lots,
- lack of tourist attractions on West Atlantic Avenue, and
- lack of area jobs.

The Set community does however have a robust history and sense of community pride. This pride has led the community to be resilient and persevere over the years. With the opportunity to develop a highly desired portion of The Set, it is important that Proposers take the rich heritage and spirit of The Set community into consideration when designing a proposed development for the Project Site.

C. Residential Requirement

This mixed-use project requires a residential component. Proposers can determine a minimum or maximum amount of residential units to be incorporated in the proposed development for the Project Site.

In order to encourage a variety of unit types, and income ranges within the downtown area, opportunities to increase density are offered in the West Atlantic Neighborhood Sub-districts (LDR Section 4.4.13(H)(1)). This incentive program allows residential density to be increased over twelve (12) dwelling units per acre, up to thirty (30) units per acre. There is a requirement that a minimum of 20% of the dwelling units above the twelve units are workforce housing units, in accordance with LDR Article 4.7 - Family/Workforce Housing.

If the incentive program is utilized, the workforce housing can be accommodated on site on the three-block development, or through negotiations, can be accommodated offsite on CRA owned lots. The CRA owned parcels offered as a location to accommodate the workforce housing requirements are shown in Exhibit "D": Potential Off-Site Workforce Housing Location Map and further detailed in Exhibit "E": Property Control Number and Location Description. The availability of the CRA-owned parcels is subject to change, however other CRA-owned parcels may be available as they are acquired.

D. Priority Uses

As identified in WARC's 2012 West Atlantic Area Needs Assessment, the prioritized uses in The Set area include neighborhood supportive commercial uses as follows:

- Full-service grocery store defined as "a retail operation affiliated with a regional grocery chain and consisting of no less than 20,000 square feet of retail space offering to the general public but not limited to the sale of fresh fruits and fresh vegetables, dairy products meat products, frozen food and vegetables, bakery items and toiletries." *Note this is a required use.
- health and wellness facilities (urgent care, clinic, fitness);
- pharmacy*;
- financial institutions (deposits loans, currency exchange)*;
- family/social entertainment (sports bar, jazz club/lounge, amusement venues); and
- office, retail, and service uses.

Note: The pharmacy and financial institution may be located within the full-service grocery store.

The full-service grocer use is a requirement in this development project. Proposer(s) will be required to identify how the grocer use will be incorporated into the overall development and identify shared parking or other design elements that create a connected and integrated three-block development. Proposers must provide a letter of intent from a company that will operate a full-service grocery store at the Project Site. The letter of intent shall include the type of grocer, the proposed size/square footage of the store, and the timeline to complete construction of the grocery store.

Proposer(s) are encouraged to include the other prioritized uses into their development concept for the Project Site.

E. Local Inclusion and Participation Requirement

The CRA recognizes the importance of local inclusion and participation with respect to redevelopment within the CRA District. Since 2013, the CRA has been working closely with WARC, the Northwest Southwest Neighborhood Alliance, Village Elders, and other community partners and leaders to advance the concept of community benefits in future redevelopment projects and requests for proposals.

Local inclusion and participation elements which have been prioritized by the community include:

- small business inclusion
- local hiring
- local contractor teaming/joint ventures
- inclusionary and mixed-income housing programs
- wealth-building initiatives
- small business training
- development and capacity building
- student apprenticeships
- cultural preservation (with an emphasis on the African Diaspora) and
- community legacy initiatives and public meeting spaces

As a result, and to support the Plan and the needs of the surrounding community, Proposer(s) must address the recommendations for a Local Inclusion and Participation Plan with at least the following components:

The Proposer(s) must state how they will identify and qualify six (6) subcontractors/vendors, and what specific alternatives for community participation from this list above will apply if the number of qualified candidates is not identified.

The Proposer(s) must state how they will identify and qualify thirty (30) skilled and unskilled construction laborers, and what specific alternatives for community participation from the list above will apply if the number of qualified candidates is not identified.

The Proposer(s) must state how they will disseminate information about available job opportunities and bids for work prior to the start of the construction of the project.

F. Existing Tenant and Local Small Business Relocation Plan

The existing building on the Project Site located at 700 W. Atlantic Avenue (“700 building”) is currently the home of four (4) local small businesses who are in possession of four separate leaseholds. Proposers will be required to temporarily accommodate all four (4) tenants during the construction phase of the development project.

Two (2) of the four (4) tenants (Klein's Multi-Services & Blanc Fresh Cut Barber Shop) each currently occupies 790 square feet and the CRA desires that these tenants are incorporated into the final development at the Project Site. Proposals must include space for the two tenants listed above and at least one additional local business. Proposals must also include a plan for the relocation of the other two (2) businesses in the 700 building.

G. Economic Development Incentives & Public/Private Partnership Opportunities

The CRA has a toolbox of established economic development incentives to catalyze investment, to promote opportunities for new and expanding businesses, and to create better jobs.

Provided that there are financial impacts to the project based on the requirements above, the Proposer may apply for, or propose alternatives for CRA financial assistance to mitigate those financial impacts. These tools may be utilized in response to the RFP and include:

- 1) Development Infrastructure Assistance Program – CRA may reimburse a private for-profit organization fifty percent (50%) of the costs of eligible site improvements for an eligible commercial project, up to an amount not to exceed 50% of the projected Tax Increment Funds generated by the improvements over a five (5) year period following project completion, not to exceed \$250,000.
- 2) Land Value Investment Program – Entities may lease CRA-owned land for up to 60 years at severely discounted rates during the first fifteen years. In exchange, the entity builds a multi-story building with retail on the ground floor and Class A office space and other uses on additional floors.
- 3) Job Creation Bonus Program – This program is designed to help attract and grow the number of businesses within the CRA District while increasing the number of quality (*average annual wages must meet or exceed County's average wages*) jobs in the community.

For a more detailed description of these programs and their guidelines, please visit www.delraycra.org and click Economic Development Incentives under the Economic Development & Grants section.

Additionally, incentives are contingent on CRA funding availability, CRA Board approval, and the execution of an agreement by the CRA and the applicant. Incentives are not to be construed as an entitlement, or right of a property owner or applicant. The CRA has the right to approve or deny any grant and/or incentive application in its sole discretion and absolute determination and evaluation. The submittal of an application request for incentives is not a guarantee of assistance.

In addition to the CRA Incentives outlined above, the CRA is open to opportunities to create a public/private partnership with the selected applicant. Examples may include but are not limited to co-ownership or master leasing an area of office and/or retail space for local small businesses who would help fulfill the Plan objectives.

Proposer(s) are required to submit: one (1) unbound printed original, ten (10) copies, and an electronic PDF file of the full response, sealed, and marked on the outside of the package “*2018 Southwest 600 – 800 Blocks West Atlantic Avenue Redevelopment Proposal*”, delivered to 20 N. Thereafter, the CRA Board of Commissioners will rank the proposals at a CRA Board Meeting on a date to be determined. Thereafter, CRA staff will then enter into negotiations with the top-ranked proposer for a period of ninety (90) days. If an agreement in principle cannot be reached with the top-ranked proposer within ninety (90) days, CRA Staff will commence negotiations with the next highest ranked proposer, and so on until an acceptable agreement has been reached. The CRA reserves the right to negotiate such terms and conditions with a proposer as it deems is in the public interest at its sole and absolute discretion. In the event a contract is not negotiated to the CRA’s satisfaction, the CRA may abandon such negotiations, and at its sole and absolute discretion may commence negotiations with the next ranked proposer. All Proposer(s) should be familiar with the requirements of Florida Statutes Chapter 163.380 to which this solicitation is subject.

Proposals submitted to the CRA in response to this RFP shall be considered irrevocable until after a proposer is selected to enter into an agreement with the CRA. Withdrawal during this period or a failure to participate in the requirements of the bid process shall result in a forfeiture of the deposit.

Any and all decisions by the CRA to modify the schedule described herein, requests for additional information, reject insufficient or unclear proposals, formulate an objective point system for review, rate and rank proposals, negotiate agreements, abandon negotiations, approve agreements, etc., shall be at the CRA’s sole and absolute discretion and no protests whatsoever shall be considered by the CRA. - (d) Failure to provide a financial commitment letter as required by Section 19.1 herein.
- (e) Failure to provide the Letter of Credit or Performance Bond as required by 19.2 herein.

If PURCHASER defaults in the performance of any of the performances to which reference is made in the immediately preceding subsections (a) through (c), both inclusive, and PURCHASER fails to remedy such default within thirty (30) days after written notice by SELLER to PURCHASER of such default(s) (the "Default Notice"), SELLER shall have, as its sole and exclusive remedies for such default the option to: (a) demand the payment of the Deposit, if any, and all interest earned thereon as agreed upon liquidated damages, and upon the receipt thereof, this Agreement shall become null and void, and neither party shall have any claims of whatsoever kind, type, nature or description against the other party, or (b) pursue an action against the PURCHASER for specific performance of this Agreement.

12. DEFAULT BY SELLER.

If the SELLER shall fail or refuse to consummate the transaction in accordance with the terms and provisions of this Agreement, PURCHASER shall have, as its sole and exclusive remedy for such default, the option to: demand the payment of the Earnest Money and all interest earned thereon, and upon the receipt thereof, this Agreement shall become null and void, and neither party shall have any claims of whatsoever kind, type, nature or description against the other party.

13. BROKER.

a) SELLER represents that it has not listed the Property for sale or otherwise entered into any agreement for the payment of a real estate brokerage commission regarding the sale of the Property with any broker or any other person entitled to be paid a brokerage commission in accordance with Florida law.

b) PURCHASER represents that it has not employed, or otherwise used, any broker or any other person entitled to be paid a brokerage commission in accordance with Florida law in conjunction with Purchaser's interest in purchasing the Property.

14. CLOSING COSTS.

Upon Closing, PURCHASER shall be responsible for the costs and expenses related to the recording of the Deed. SELLER shall pay for documentary stamps affixed to the Deed. PURCHASER, at its own expense, may conduct and obtain an Environmental Site Assessment Phase I and Phase II (if so mandated by the Phase I) of the Property. All costs and expenses related to the development of the Property shall be borne by PURCHASER.

15. PURCHASER'S WARRANTIES.

PURCHASER hereby acknowledges and warrants to the best of its knowledge that all of the following are true and correct as of Closing:

(a) PURCHASER has full power and authority to enter into this Agreement and to assume and perform all of its obligations hereunder.

(b) The execution and delivery of this Agreement and the performance by PURCHASER of the obligations hereunder have been duly authorized by the PURCHASER as may be required, and no further action or approval is required in order to constitute this Agreement as a binding obligation of the PURCHASER.

(c) The execution and delivery of this Agreement and the consummation of the transaction contemplated hereunder on the part of the PURCHASER do not and will not violate the organizational documents of PURCHASER and do not and will not conflict with or result in the breach of any condition or provision, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the terms of any contract, mortgage, lien, lease, agreement, indenture, instrument or judgment to which PURCHASER is a party.

All of the representations, warranties and covenants of PURCHASER contained in this Agreement shall be true and correct in all material respects and not in default at the time of Closing, just as though they were made on the Closing Date.

PURCHASER shall indemnify, hold harmless and defend SELLER against all claims, demands, losses, liabilities, costs and expenses, including attorney's fees, imposed upon or accruing against SELLER as a result of the representations contained in this Section 14 not being true and correct in all material respects.

16. RIGHT TO REPURCHASE.

SELLER expressly reserves the right at its sole option and election to repurchase the Property for the same Purchase Price as paid by PURCHASER to SELLER hereunder. It is expressly agreed to by PURCHASER and SELLER that the funds to be paid by SELLER in the event it elects to repurchase the property as provided for herein, shall not exceed the sum total of any funds actually tendered by PURCHASER to SELLER at closing. The "repurchase price" shall not include the funds due under the Promissory Note executed at closing by PURCHASER in favor of the SELLER. The SELLER may elect to repurchase the Property in the event the PURCHASER:

a) Project fails to include full-service grocery store, as defined herein.

b) fails to commence construction of the Project, as certified by PURCHASER's architect, within _____ (__) days next following the later to occur of the Closing, or the Permit Date, subject however, to extensions for delays attributable to Force Majeure, as approved by the CRA Board of Commissioners.

b) fails to commence the installation of the concrete foundation for at least one of the structures to be constructed within the Project within _____ (__) days next following the later to occur of (i) the commencement of construction to which reference is made in subsection (a) above, and (ii) the issuance of the

building permit(s) requisite to performing foundation work.

The term "commence construction" means the initiation by PURCHASER of site preparation work for the Project which shall, for purposes of this Section 16, include excavation, fencing of the site, installation of the construction trailer, clearing and any required relocation of utilities at the site.

The SELLER's right to repurchase and its terms and conditions herein shall be incorporated in a Memorandum of Agreement and the Deed executed by the parties prior to Closing and shall survive the Closing. Seller shall record a termination of the right to repurchase within ten (10) days of satisfying the conditions set forth above in 16 (a) and 16 (b).

Notwithstanding the foregoing provisions, the commencement dates provided above and all other times for the commencement or completion of all performances required herein by the PURCHASER shall be extended on a day for day basis for delays occasioned by acts of God; catastrophe; pandemic or other health related occurrence; terrorism; once construction begins - inclement weather which is in excess of those days normally forecasted by the National Weather Service for the given month in South Florida, which interfere with construction; unforeseen physical conditions on the site, unavailability or shortages of material or labor, labor disputes unavailability of water, gas, utilities sewerage and/or telephone or the site is rendered unsafe for health and safety purposes not otherwise caused by PURCHASER; withholding of governmental approvals or restrictions not due to the fault or negligence of the PURCHASER, or the imposition of restrictions by a governmental body that materially changes the design or scope of the project to an extent that renders the project so difficult to construct as to make it commercially unreasonable; appeals of governmental approvals, claims or lawsuits by any third party (whether individual or otherwise) threatened or instituted to prevent the issuance of any approvals or permits, the commencement of construction or otherwise stop construction of the development after commencement; or similar events not reasonably foreseeable and beyond the reasonable control of PURCHASER (collectively "Force Majeure"). By the tenth (10) business day of each of month, PURCHASER shall deliver or cause to be delivered to SELLER a list of the days during each proceeding month as to which PURCHASER believes the Force Majeure provisions apply and the reasons therefor. SELLER shall, within ten (10) business days after receipt of any such list, provide notice to PURCHASER as to whether SELLER disputes that any of the days set forth on that list would give rise to an extension of time for PURCHASER's performance based on Force Majeure. Any days claimed to be subject to the foregoing Force Majeure provision by PURCHASER which are not so disputed by SELLER within said time period shall be deemed approved by SELLER. In the event of a dispute between SELLER and PURCHASER as to whether there has been a commencement of construction as provided in this Section or whether a claim for delay is valid or otherwise in connection with this Agreement and the transactions contemplated thereby shall be resolved and settled by mediation using a mutually acceptable third-party mediator. Such mediator shall be appointed upon the written demand of either party. Upon such appointment, the mediation shall be held within fifteen (15) days at a mutually agreeable site in Palm Beach County, Florida. The fees and expenses of such mediator shall be born equally by the parties hereto. In the event of the failure of the parties to settle the dispute by mediation, either party may bring the dispute for legal redress before the Circuit Court in and for Palm Beach County, Florida.

This Section 16 shall survive Closing. Notwithstanding the foregoing, any repurchase rights granted herein shall be subject to and subordinate to any acquisition, development and/or construction loan and mortgage on the Property.

17. ENFORCEABILITY.

If any term, covenant or condition of this Agreement, or the application thereof to any person or circumstance, shall be determined to be unenforceable by a court of competent jurisdiction (the "Offending Provision"), then the remainder of this Agreement, or the application of such term, covenant or condition to persons, entities or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby and each term, covenant and condition of this Agreement shall be valid and enforced to the fullest extent permitted by law; provided however, that the parties affected by the Offending Provision shall endeavor in good faith, within sixty (60) days after the date such determination is made, to agree upon alternative provisions which shall have the same practical effect as the Offending Provision and upon any agreement being reached, the new provision shall be incorporated into and form a part of this Agreement.

18. NO MERGER.

All warranties, representations, covenants, terms and conditions herein contained shall survive the delivery and recording of the Deed for a period of nine (9) months.

19. CONDITIONS PRECEDENT TO CLOSING AND CONTINGENCIES.

19.1 Conditions Precedent to Closing: SELLER's obligation to close the subject transaction is contingent upon the satisfaction of the following conditions:

(a) Financial Commitment. PURCHASER shall provide, no later than sixty (60) days prior to Closing, documentation certifying to SELLER, PURCHASER's receipt of a financial commitment letter from a United States financial lending institution ("Financial Commitment") for the lending of funds in an amount not less than seventy percent (70%) of estimated acquisition, development and construction costs required to complete the Project; the Financial Commitment shall be utilized to acquire the Property and to construct and develop the Project, as generally described in PURCHASER's response to the RFP issued by the SELLER, which response was accepted by the SELLER, and as otherwise specified in this Agreement, unless, however, a lesser amount of financing is determined by PURCHASER in PURCHASER's sole and absolute discretion to be satisfactory upon terms acceptable to PURCHASER. PURCHASER shall deliver to SELLER those pertinent provisions of the Financial Commitment evidencing PURCHASER's acknowledgment and the financial institution's agreement to finance the Project in accordance with the Financial Commitment.

(b) PURCHASER's delivery to SELLER, ten (10) days prior to Closing, of a letter of credit issued by a financial institution reasonably satisfactory to SELLER or a performance bond. The letter of credit, if used, must be in a form and amount reasonably satisfactory to SELLER or if a performance bond, such performance bond must be in a form reasonably acceptable to SELLER. The letter of credit or performance bond shall serve to guarantee completion of construction of the Project in accordance with the approved Site Plan and this Agreement. The letter of credit, if used, shall be specifically callable by SELLER in the event of the PURCHASER's failure to construct the Project in accordance with the provisions of this Agreement and the Site Plan approved by the City. The letter of credit shall be in an amount equal to one hundred ten (110%) percent of the budgeted costs for the construction of the Project or in the case of a Performance Bond, one hundred (100%) percent of the budgeted costs for the construction of the Project (excluding FF&E), in accordance with the Site Plan, design plan, and approved plans and specifications of the Project. Not later than the time the letter of credit or performance bond is required to be delivered to SELLER, PURCHASER shall also cause to be delivered to SELLER an agreement of the architects and engineers who prepared the plans for the Project which provides that if SELLER calls the letter of credit, in accordance with the terms of this Agreement, SELLER shall have the right to utilize said plans to construct the Project, as to its respective interest in said plans.

(c) The SELLER reserves unto itself and PURCHASER acknowledges and agrees that SELLER shall have the right to approve the architectural design and the Site Plan for the Project which approval shall not be unreasonably withheld.

19.2 Contingencies: The SELLER's obligation to close the transaction is contingent upon the following:

- a) PURCHASER shall, at Closing, execute and provide for recording a unity of title with respect to the Property and/or replat the Property, if required by the City;
- b) PURCHASER shall submit an application for the abandonment of alleyways, if necessary, and the SELLER will cooperate in executing all applicable applications and processing the approvals, abandonment of alley ways and issuance of building permits;
