

COVID-19 LET'S KEEP IT CLEAN GRANT PROGRAM

PURPOSE

The COVID-19 Let's Keep It Clean Grant Program was established in December 2020 as a tool to sustain the economic vitality of small businesses within the CRA District. In March 2020, a state of emergency was declared in response to the COVID-19 health pandemic. To minimize further spread of the virus, precautionary measures were put into place including social distancing regulations, prevention hygiene, and operating guidelines for essential and non-essential businesses. The economic and social disruption caused by the pandemic has been devastating. For businesses, efforts to mitigate the spread of COVID-19 resulted in indefinite closures, scaled down services, and/or reduced operating hours. However, with recovery efforts in place, businesses have been reopening to the public.

The CRA recognizes that reopening requires working together, continued practice of social distancing, and other daily habits to reduce risk of exposure to COVID-19. Through the COVID-19 Let's Keep It Clean Grant Program the CRA seeks to sustain business activity while keeping the community—employees, customers, visitors, residents—safe by helping businesses pay for necessary improvements to reduce the risk of exposure to COVID-19 as they continue to operate and/or reopen to the public.

ELIGIBILITY AREAS & GENERAL PROVISIONS

The COVID-19 Let's Keep It Clean Grant Program is available to commercial businesses from within the entire CRA District to enhance their sanitation efforts. The program's intent is to support high traffic commercial businesses (i.e. Retail & Restaurants) in their efforts to reduce risk for employees, customers, visitors, residents, and the community and slow the spread of COVID-19. The program is not intended for office or home-based businesses.

Through the program, the CRA will help pay for sanitation enhancements made by plumbers, general contractors, and/or handymen in making businesses safe.

To attract local business and talent, applicants must select to work with contractors and vendors (including plumbers, general contractors, and handymen) that are located within the municipal boundaries of Delray Beach. Vendors/contractors must have the appropriate licenses and a business tax receipt showing evidence of operation within the City of Delray Beach.
