GENERAL INSTRUCTIONS

Your application must be completed using the format provided by the CRA. The Word Application form uses the Palatino Linotype, 11-point font. Maintain this font and *single spacing* for your responses, if using the Word Application.

Before you begin to fill in the application:

- Read all of these application instructions carefully
- Re-name the file using the following format: Application, Name of Organization, Due date.doc (if using Microsoft Word Format)
- Fill in your organization name and the due date in the Footer (if using Microsoft Word Format)

If requested funding is not linked to a specific named project or program within the organization but rather to an organization-wide activity, administrative function, or other component it must still correlate with a "Key Activity" on the organization's Logic Model. A project/program "title" should be assigned to identify it, and it should be considered Project/Program A or B, accordingly.

Enter all responses in the spaces provided. Instructions for specific items follow. Enter a response or "Not Applicable" for each item; do not leave any blanks.

Limit your narrative responses to the stated number of words. It is not necessary to use the maximum number of words; respond to each item as succinctly as possible to get your point across. (Use the Word Count feature in Word to check the exact number.)

You may find it helpful to draft your responses on a separate sheet and then copy-and-paste into the application form.
