

FISCAL YEAR 2023 - 2024 WORK PLAN & BUDGET

<u>Delray Beach Community</u> <u>Redevelopment Agency</u> <u>Work Plan & Budget - Fiscal Year 2023-2024</u>

Overall redevelopment strategies of both the Delray Beach Community Redevelopment Agency and the City of Delray Beach are embodied within the projects and programs, which are outlined in the adopted Community Redevelopment Plan. These projects and programs are designed to solve underlying problems which have a blighting influence on the Community Redevelopment Area, satisfy basic needs of the populace and/or take advantage of opportunities for economic, social or aesthetic improvement. This Work Plan is provided in conjunction with the CRA Board's adoption of the budget for Fiscal Year 2023-24 and provides a description of the major projects and initiatives that are to be addressed in the next twelve months (October 1, 2023, through September 30, 2024). The four-digit number in the project title corresponds with the General Ledger (GL) number in the CRA budget.

Mission

To foster and directly assist in the redevelopment of the Community Redevelopment Area in order to eliminate blight, create a sustainable downtown and encourage economic growth, thus improving the attractiveness and quality of life for the benefit of the CRA District and the City of Delray Beach as a whole.

5661 Pompey Park Master Plan - Phase I Construction

CRA Budgeted for FY 2023-24: \$40,000,000

(Partial Construction Estimate)

The Pompey Park Master Plan was developed in collaboration of the City Parks and Recreation Department, City & CRA Staff, and community stakeholders. It is meant to provide an evaluation framework for the appropriate redevelopment selection that can embody the goals and aspirations set forth in the Campus Pre-Design Study & Master Plan. Community participants actively contributed as part of the development process through the first two phases. The 14-acre site bounded by NW 13th Avenue on the west, NW 2nd Street on the south, NW 10th Avenue on the east and NW 3rd Street on the north, has a rich community history that serves a strong role as a community town square. It supports sports, family, seniors, and many seasonal community activities. Funding in Fiscal Year 2023-24 is for Construction of Phase I of the project.

CRA Funding in FY 2022-23: \$1,620,000

The primary goal of the project is to design and construct the alleyways and to upgrade the underground utilities, stormwater, and drainage. This project will introduce previous concrete and improve the drainage of the area. The location of the alleys is in the Southwest Neighborhood, more specifically: one (1) alley - between SW 13th Ave. and SW 14th Ave. and between SW 2nd Street and SW 3rd Street; and two (2) alleys - Between SW 10th Ave. and SW 11th Ave. and between SW 11th Ave. and SW 11th Ave. and SW 11th Ave. and between SW 11th Ave.

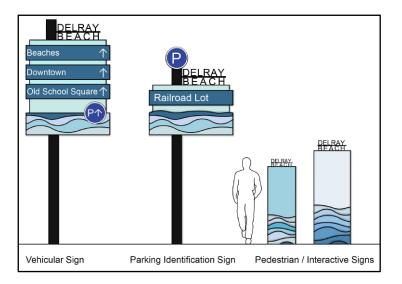

5236 Wayfinding Signage – Fabrication & Installation

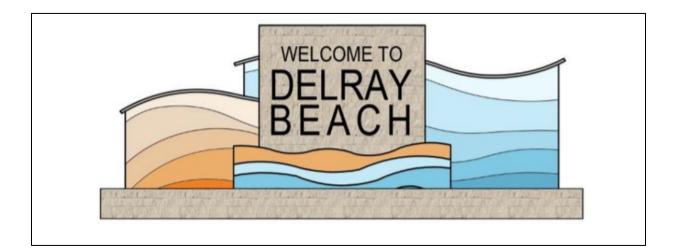

CRA Funding in FY 2022-23: \$1,850,000

Funding for this project will involve the fabrication and installation of new wayfinding signage designs and implementation throughout the CRA District. Updating the existing wayfinding signage system was identified in the 2010 Parking Management Plan and more recently the Downtown Shopability Study. The current wayfinding signage was implemented in 2000 and needs upgrading to accommodate the continued transformation of the Delray Beach community as well as improving transportation and mobility initiatives. The design of and permitting for the signage has been completed.

CRA funding in Fiscal Year 2022-23 is for fabrication & installation of the signage system.

5525 Currie Commons Restrooms

CRA Funding in FY 2023-24: \$600,000

The primary goal of this project is the purchase and installation of a new prefabricated restroom for Currie Commons Park.

5625 Artists Alley Drainage Improvement

CRA Funding in FY 2023-24: \$300,000

The Pineapple Grove Arts District continues to transform, however additional improvements in Artist Alley, located east of NE 3rd Avenue, between NE 3rd Street and NE 4th Street, are needed. One of the main challenges in the alley is flooding.

In August 2020, the City completed road improvements in the Artist Alley. Additionally, at the end of fiscal year 2021-2022, The CRA and City completed the NE 3rd Avenue/Street Infrastructure Project. This innovative project features decorative glow-in-the-dark sidewalks, tropical landscaping, new irrigation, decorative street lighting, improved drainage, water main improvements, as well as new signing and pavement markings.

Funding for FY 2023-24 is for installation of new drainage system and connecting to existing drainage system at the intersection of NE 3rd Avenue/Street.

During the first quarter of 2020, CRA staff submitted a request for approval to the City Development Services Department for a Class V Site Plan. A waiver required to move forward with the project was approved by the Site Plan Review and Appearance Board (SPRAB) on April 28, 2021, and by the City Commission on May 18, 2021. The SPRAB approved the Class V Site Plan on August 25, 2021. Building permit was granted in Summer 2023

Construction started in Summer 2023 and is expected to conclude in Summer 2024.

Other Projects/Initiatives

5610 Land Acquisition

CRA Funding in FY 2023-24: \$5,000,000

A major component of the CRA Redevelopment Plan is property acquisition, assembly and resale for redevelopment. The Redevelopment Plan states the CRA may also acquire property for construction of centralized parking facilities to service the surrounding areas; the parking lots constructed under this program may be municipal lots entirely for public use, may be sold or leased to private entities or may be a combination of both. The Community Redevelopment Plan contains the Land Acquisition Maps for the overall area, and maps of specific blocks that were identified as priorities for redevelopment purposes.

7313 Grant Programs

CRA Funding in FY 2023-24: \$600,000

<u>Paint-Up & Signage</u>: This program was established by the CRA to encourage existing building owners or operators to improve the exterior of their buildings through a new coat of paint and signage. It offers a 50% matching grant for the cost of exterior painting, pressure-cleaning and signage expenses for existing commercial and multi-family properties throughout the CRA District. The maximum grant award is \$5,000, and funding assistance is limited to a maximum of \$5,000 per applicant per year.

<u>Project Consultancy & Design Services</u>: This was established as a tool to help guide individuals through the design and development process for commercial property development projects. The program seeks to foster new and retained business activity by offering one-on-one consultations with a design professional to explore a project's scope, space planning, general design elements, preliminary project costs, and anticipated City development services. It also offers design services and building permit expediting assistance to businesses with current leases, in good standing, who are actively working toward site plan approval or building permit issuance.

<u>Site Development Assistance</u>: This program offers a partial reimbursement for a variety of interior and exterior improvements to commercial and multi-family buildings in the CRA District. The program supports improvement projects that improve aesthetics, enhance property values and support increased business activity through property upgrades and expansions. Award amount depends on location of business within CRA District.

7305 Curb Appeal Residential Improvement Program

CRA Funding in FY 2023-24: \$600,000

The Curb Appeal Residential Improvement Program, created in 2007, offers up to \$15,000 to make minor structural and cosmetic exterior improvements to single-family homes and duplexes in the Northwest and Southwest Neighborhoods in the CRA District. The goal is to help eliminate slum and blighted conditions. The program covers the cost of minor exterior property improvements, which can improve the aesthetics of a residential dwelling and increase property value. Eligible costs include: exterior painting & pressure cleaning, replace missing or rotten siding, landscaping & irrigation, driveway repair, new house numbers, mailbox replacement, and roof repair or replacement.
