- A.A. RESOLUTION NO. 2023-01 – AGREEMENT FOR PURCHASE AND SALE – NW 7<sup>TH</sup> AVENUE - \$196,000.00

Ms. Jadusingh provided background on the item, including a previous attempt to purchase the property.

Commissioner Boylston expressed concern about purchasing the property without ownership of properties on either side. He said he is not comfortable with the purchase at that price point. He referenced a piece of property on the other side of the street.

Commissioner Gray asked who owns the property surrounding the lot. Ms. Jadusingh said they are attempting to identify the adjacent properties, but it appears to be owned by a trust. She supports the purchase.

Commissioner Petrolia agreed with Commissioner Boylston. She recommended tabling the item for staff to do more research.

Vice-Chair Burns asked why the CRA is interested in the property. Ms. Jadusingh replied that the land is specifically identified in their acquisition plan and this purchase would be the first of assemblage in this block. She said it can be tabled for future consideration.

**Motion** by Commissioner Gray, seconded by Commissioner Boylston to table the item. In a roll call vote, **motion** passed (7-0).

**A. BOARD DIRECTION - FISCAL YEAR 2022-2023 A.-G.U.I.D.E. Q1 REPORT FOR EXPANDING & PRESERVING OUR CULTURAL HERITAGE - SPADY MUSEUM**

Ms. Jeannite provided background on the item. She stated upon review of Spady Museum's Q1 report, the combined budget showed that CRA funding was making up 62% of their total budget. She said CRA staff had a quarterly check-in call with Spady in which they shared they were still waiting on committed funds not yet received. During follow up calls, an error was determined and corrected but even with the updated submission, the CRA funding support still comprised 38% of their total operating budget. She noted that according to the guidelines, CRA support may not exceed 25% of an organization's total operating budget for the year in which the grant is released, unless otherwise approved by the CRA Board.

She requested Board direction on releasing Q1 and Q2 A.-G.U.I.D.E. payment for Spady Museum in the amount of \$54,500.

Commissioner Petrolia recommended making a note but permit it to roll from one quarter to the next to provide an organization an opportunity to level off with other funding and expenses. She said if it is not at the 25% at the end of the year, then it is an issue.

Commissioner Boylston agreed that there is an ebb and flow.

**Motion** by Commissioner Petrolia, seconded by Commissioner Boylston, to approve. In a roll call vote, **motion** passed (7-0).

**B. 98 NW 5TH AVENUE PROPERTY MANAGEMENT ON BEHALF OF THE DELRAY BEACH CRA - REJECTION OF PROPOSALS SUBMITTED FOR REQUEST FOR PROPOSALS CRA NO. 2023-01 - COMMERCIAL PROPERTY MANAGEMENT SERVICES FOR 98 NW 5th AVENUE; APPROVE RENTAL RATE FOR FIRST FLOOR BAYS; AND APPROVE THE RE-ISSUANCE OF A REQUEST FOR PROPOSALS FOR PROPERTY MANAGEMENT SERVICES**

Ms. Tibbs provided background on the item and reviewed the recommended set of actions, which included:

- Reject all Proposals submitted for the Request for Proposals (RFP) CRA No. 2023-01 Property Management Services for 98 NW 5<sup>th</sup> Avenue
- Approve rental rate for first floor tenant bays at NW 5<sup>th</sup> Avenue
- Approval the re-issuance of an RFP for Property Management Services for NW 5<sup>th</sup> Avenue

Commissioner Petrolia asked about the market rental rate per square foot. Ms. Tibbs said it varies and they based their proposed \$23 per square foot rate on properties they currently rent. Discussion ensued about current occupancy and rental rate. Commissioner Petrolia suggested raising the rate since the space is new and will be desirable.

Commissioner Boylston said he would like the rate to be lower. He proposed a rate of \$18 or \$19 per square foot so the bays are closer to \$1,000. He wants to ensure they are getting the right mix of businesses. He would like to see an attempt to consolidate the RFP bid so the co-working space oversight is also by the Property Management Company. Ms. Jadusingh said they did consider the suggestion and there are options. Commissioner Boylston said they can oversee the building for a while and see who they get from the co-working space bid.

**Motion** by Commissioner Boylston, seconded by Commissioner Gray, to table the RFP for Property Management Services until there is more clarification on the tenants for the building and to also recommend a rate of \$18/square foot for the bays.

Commissioner Gray wants to ensure they can maintain funding by lowering the rate. Ms. Jadusingh said \$18/square foot brings in approximately \$900 a month.

Vice-Chair Burns agreed with lowering the price. She asked about the unit size. Ms. Jadusingh said they all are approximately 600 square feet each.

Vice-Chair Burns asked for clarification on recommendation to reject the RFP. Ms. Jadusingh replied that they only received one response and it was from an out-of-state bidder.

Ms. Tibbs noted one bay has an entrance on NW 5<sup>th</sup> Avenue, which makes it slightly different.

**Amended Motion** by Commissioner Boylston, seconded by Commissioner Gray, to table the RFP for Property Management Services until there is more clarification on the tenants for the building; and recommend a rate of \$18/square foot for the bays, except for the bay with an entrance on NW 5<sup>th</sup> Avenue, which would be \$23/square foot.

In a roll call vote, the **amended motion** passed (7-0).

**C. NOTICE OF INTENT TO LEASE FOR FIVE (5) FIRST FLOOR TENANT BAYS - 98 NW 5TH AVENUE**

Ms. Jeannite provided background on the item and noted staff is ready to begin filling up the first-floor bays. She noted each bay will be leased for a four-year term. Staff plan to publish the Notice of Intent on May 1 with an application due date of June 15. Information and applications will be available online. She reviewed the online application components and review and selection process. CRA requests the Board provide direction as it relates to any specifications to be included within the Notice of Intent to Lease for the five (5) first floor bays at 98 NW 5<sup>th</sup> Avenue. Additionally, if outlined is acceptable, approve issuing the Notice of Intent.

Ms. Phan requested to return to item 9B and decide on the other two recommended actions.

**Motion** by Commissioner Gray, seconded by Commissioner Boylston, to reject all proposals for Item 9B. In a roll call vote, **motion** passed (7-0).

**Motion** by Commissioner Boylston, seconded by Commissioner Gray, to table the re-issuance of an RFP for Property Management Services for NW 5<sup>th</sup> Avenue. In a roll call vote, **motion** passed (7-0).

Discussion ensued about Item 9C.

Commissioner Gray asked why the applicant needs to identify their bay preference. Ms. Jadusingh said it was just a suggestion, but they can change it. Commissioner Boylston agreed with Commissioner Gray and wants to ensure staff has the most flexibility. Ms. Jadusingh recommended an edit in which applicants would either indicate if they want the bay near 5<sup>th</sup> Avenue or prefer any of the other options. Ms. Jadusingh said they will begin the process to issue the Notice of Intent.

**D. REQUEST FOR PROPOSALS FOR TENANT TO OPERATE 2ND FLOOR WORKSPACE - 98 NW 5TH AVENUE**

Ms. Jeannite provided background on the item and noted staff would like to release a Request for Proposals for the 2<sup>nd</sup> Floor Workspace. She summarized how staff envisions the CRA, Property Management Service, and tenants would work together. She spoke about two scenarios for the co-working space, including the CRA being both hands-on and hand-off. She noted staff is seeking direction on how to structure the RFP language.

Commissioner Boylston said he would prefer a hybrid, which include programming and community-building. He supports the hands-off model but including the expectation the operator will create and oversee programming and community-building activities.

Commissioner Gray agreed with the model proposed by Commissioner Boylston.

Ms. Jadusingh said staff will draft the RFP and will plan to bring it back to the Board next month.

**E. APPOINTMENT OF CRA OFFICER: DEPUTY VICE-CHAIR**

Commissioner Boylston nominated Commissioner Petrolia for Deputy Vice-Chair.

In a roll call vote, **nomination** passed (7-0).

Commissioner Boylston requested Board consensus to have explore the option of the City Commission funding the non-profit partners and to phase out the A-G.U.I.D.E. Commissioner Gray said she would support the recommendation. Commissioner Boylston further explained his position.

Commissioner Long would support the recommendation.

Deputy Vice-Chair Petrolia asked if the recommendation is even possible. Commissioner Boylston clarified he is requesting to put the item on an upcoming City Commission agenda. Chair Frankel said he would support that request.

Ms. Jadusingh said the A-G.U.I.D.E. was intended to be temporary but it has become a permanent program. She added that the City has more flexibility on what non-profits and social services can be funded.

Deputy Vice-Chair Petrolia said she is hesitant but open to the suggestion to look into it more. She expressed concern about future impact for the non-profits. She acknowledged the future sunseting of the CRA.

Chair Frankel stated there is consensus to have discussion and goal setting.

Commissioner Gray said she would like to hear from the non-profits as well.

Commissioner Long asked about the potential liability. Ms. Jadusingh said some cities have stopped funding non-profits because they do not have a brick-and-mortar. She noted once something becomes permanent, it should be funded by the City so the CRA can focus new initiatives and innovations. She noted the A-G.U.I.D.E. began is 2007.

Vice-Chair Burns noted there was public comment via telephone message for the Board to hear.

Ms. Yvonne Odom, President of the Delray Beach Community Development Corporation, spoke about the organization and historical connection to the CRA. She said she looks forward to a renewed partnership.
